# Unique Favors Inspired By Nature

## Welcome to Plant a Memory

"Nothing is worth more than this Day." ~ Goethe

The presentation of Wedding Favors is one of the most memorable and gracious gestures at a reception. They have long been symbols of good luck. Plant a Memory continues to offer quality, unique keepsakes inspired by nature. To all brides and grooms, we invite you to plant your dreams and watch the miracles grow.

"Life is a flower is which love is the honey." - Victor Hugo

## Rose Petals

The rose always has and always will represent love. Romance is captured naturally in this beautiful keepsake.

*"How cunningly nature hides every wrinkle of her inconceivable antiquity under roses and violets and morning dew!"*

Ralph Waldo Emerson

Pg 10 Available with Tree, Flower or Herb seed

## Green Garden Party - Celadon

The natural elegance of this Celadon Green Seed Favor will complement most wedding themes. Create "Growing memories" with "Green" wedding favors.

*"You are the most beautiful flower in the garden of my existence."* - Steve Hodgin

Pg 10 Available with Tree, Flower or Herb seed

## Oceans of Shells

This unique design depicts our natural world in a beautiful garden of shells. It is a thoughtful favor for beach, nautical or tropical celebrations.

*"I wrote your name in the sand but the waves washed it away... so I wrote it in my heart and that's where it will stay."*

Author Unknown

Pg 10 Available with Tree, Flower or Herb seed

## Earth's Garden

This handmade paper likeness exemplifies the natural qualities of our earth remarkably. The soft shades of blue, green and yellow are captivating all year round.

*"There are in the end three things that last: faith, hope and love, and the greatest is love."* - Corinthians

Pg 10 Available with Tree, Flower or Herb Seed

## Daisy Bouquet

This bridal bouquet celebrates flowers as the language of love.

These cherished blooms are a gentle reminder of your special day.

Pg 10 Available with Tree, Flower or Herb seed

## Cones & Botanicals

This celebrated favor is an alluring symbol of the incredible strength of a forest. Its ever-green needles and soft water-colored cones lend a natural tone to your wedding day.

*"Nature is painting for us, day after day, pictures of infinite beauty if only we have the eyes to see them."* - John Ruskin

Pg 10 Available with Tree, Flower or Herb seed

## Douglas Fir

(Pseudotsuga Taxifolia Glauca)

The fir was the first christmas tree, with its great height it was thought to bring bright vision to the New Year. Douglas Fir grows to 60' high with dark blue-green needles. It will flourish anywhere in North America, except the deep south coasts. An important western tree valued for its lumber.

- Seed packets contain 10-15 seeds/packet)

Growing zones 4-6

## Honey Locust (thornless)

(Cleditsia Triacanthos Inermis)

This popular shade tree is a fast growing, heat and drought tolerant landscape tree. Reaching 70' in height, the Honey Locust is a spectacular specimen tree in urban gardens. Its bright green foliage turns brilliant yellow for amazing fall color.

- Larger seed pod; 5-6 seeds/packet

Grows in Zones 4-9

## Paper Birch (canoe)

(Betula Papyrifers)

The Paper Birch has tremendous winter interest for its striking white bark. The bark, which can be peeled in large wide strips, was/is valued for the construction of canoes. It is cold tolerant and grows well in the northern USA and Canada. Reaching 70" high, it is know for its golden leaves in the fall.

- Small seeds-surface sowed 50 seeds/packet

Grows in Zones 2-5

## Loblolly Pine Tree

(Pinus Taeda Improved)

The Loblolly Pine has been chosen to represent the "Southern pine". This shade tree is fast growing and adaptable to a wide range of soils. Growing to 100' in height, Loblolly Pine is a popular plantation evergreen.

- Larger seed pod; 5-6 seeds/packet

Grows in Zones 6-9

USA Orders Only!

## Black Pine (Pinus Thunbergiana)

Black Pine will grow in all but the coldest area of the US. Its bright pyramidal head and drooping branches make it a beautiful specimen tree growing to 100' tall. Indoor and outdoor planting instructions included for tree seed. (seed packets contain 10-15 seeds/packet).

Hardiness to Zone 6

### Tree Seed Growing Regions

USA Orders Only!

## Blue Spruce (Picea Pungens Glauca)

This evergreen will thrive in most sections of the US and Canada. Its bluish evergreen foliage and pyramidal growth habit can reach 150' in height making it a favorite specimen tree. This species can live 600-800 years.

- (seed packets contain 10-15 seeds/packet)

Hardiness to Zone 3

# Seed Species: Flower, Herb

## Garden Mix

This brilliant seed combination starts with the deliciously fragrant **Carnation**, symbolizing lasting fidelity. It is a summer bloomer like the spectacular **Snapdragon**. The popular **Daisy** is a wedding favorite symbolizing innocence. Blooming in the late summer, the **Aster's** flowers carry your garden into the fall.  
(Annuals & Perennials)

## Butterfly Garden Mix

Create a garden to attract butterfly populations with this unique flower seed mix. **Purple Coneflower**, **Coreopsis**, **Aster** and **Zinnia** contain nectar especially attractive to butterflies. The summer sun infuses their brilliant colors into your garden.

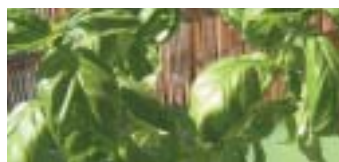

## Rose (Rosa Rugosa)

Your guests will cherish these fragrant white, pink & red flowers. This hardy rose species requires 3-4 months cold before planting. Grows in most parts of the US.

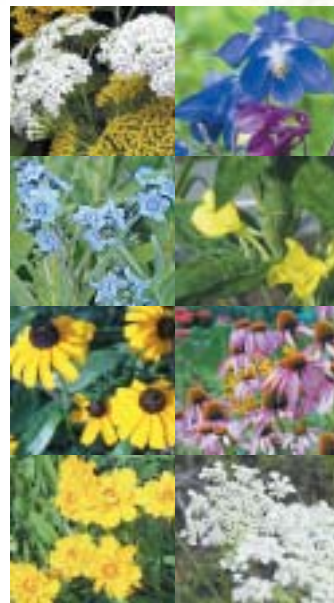

## Lavender

This popular herb is beloved for its unique fragrance and calming properties. Lavender can be planted indoors in the fall/winter and outdoors in the spring and summer.

## Basil

This is an attractive herb for growing and cooking that thrives in hot weather. Grown indoors or out, Basil is considered the "King of Herbs" for its culinary properties. Plant indoors and move outdoors in the spring.

## Wildflower Mix

This exceptional collection of perennial flowers will grow in all areas of the US, creating an everlasting memory of your wedding day. These wildflowers are designed to bloom one after another from spring into the fall. **Yarrow** and **Columbine** flower in the spring, ushered in by the tiny blue petals of the **Forget-Me-Nots**. **Evening Primrose** will fascinate you with its night opening blossoms, followed by these splendid summer favorites:  
**Black-Eyed Susan**, **Purple Coneflower**, **Coreopsis** and **Queen Anne's Lace**.

## Daisy

"He loves me, he loves me not..." symbolizing innocence, this classic perennial is a garden favorite. The daisy blooms in late spring through summer.

## Love-in-a-Mist

This delicate fairy-like flower is a lovely cobalt blue with a spray of lacy leaves. Plant this flower for everlasting love.

## Herbal Garden Mix

Herbs have been associated with weddings since the 17th century.

**Rosemary**, symbolizing remembrance was often used in the bridal wreath. **Dill**, considered lucky, creates a touch of charm in the garden with its yellow flowers. **Parsley** and **Thyme** finish this natural gift for your guests.

A Wedding favorite, this mix can be planted indoors in the fall/winter and moved outdoors in the spring.

## Forget-Me-Not

Growing 6-8 inches high, sow outdoors, these flowers make excellent blossoms in rockgardens. Forget-Me-Not is a flower name that is unforgettable. Spring blooming, perfect blooms flourish in this rare celestial colour.

# Baby Showers

## Baby Showers

Present your guests with the natural beauty of flowers in honor of your special occasions in life and they will cherish this day for years to come. Baby showers are joyous occasions to be celebrated with these unique and thoughtful gifts for your guests.

All favors are personalized with the Mother-to-be's name, date and a thank you message.
